...Still Making History!

SUMMER 2016

Dear Friends:

It gives me great pleasure to offer this newsletter as one more avenue to learn about the ways Mercer County government is working for you. Mercer County continues to flourish and we're very proud of our strengthening economy, our award winning parks and our array of programs and services that our residents can depend on. As a center for business, education and research, arts and entertainment, technology and entrepreneurship, Mercer County has it all.

I love Mercer County, and I will continue to improve the quality of life for all our residents and look for new ways to make Mercer County an even better place to work, live, play and raise a family.

Sincerely,

Brian M. Hughes, Mercer County Executive
